

**County of Loudoun
Division of Procurement**

BID TABULATION (REVISED 6.4.08)

The County has not checked the tabulations for errors or made determinations that any bids meet requirements. The County makes no claim that these are anything other than prices entered and read aloud at the public opening.

This Bid Tabulation is revised to include the pricing of one additional bidder that submitted a bid prior to the opening date but was inadvertently not recorded by Procurement.
